- Inquire as to whether or not there will be an on-site, medical professional designated prior to weigh-ins.

# Sample Coach Contact Email

- Coach Clayton,
- I am the official for the Varsity and JV vs RL Turner on Thursday.
- My schedule shows a start time of 6:30pm. What time are weigh-ins?
- Have the scales been certified in the last year and do they bear the certification sticker?
- Please ensure that both teams have a completed weigh-in roster prepared before weigh-ins begin.
- How many JV matches do you anticipate?
- What gym will we be wrestling in?
- Is the mat regulation size with at least 5 feet of out of bounds on all edges?
- Will there be an authorized medical provider present for weigh-ins that can rule on skin conditions (a trainer is no longer authorized to rule on skin conditions as determined by UIL)?
- Will there be an authorized medical provider present that can rule on all other matters during the match?
- What is your plan for blood cleanup? (Blood cleanup is the responsibility of the home management. The UIL Wrestling handbook recommends a 10% bleach solution in a spray bottle, paper towels, latex gloves for the designated clean up person, and a trash can with a liner (red bag) for the cleaned up blood.)
